PINE CONE HILL | DASH & ALBERT

SUMMER
2018

ANNIE SELKE
FOUNDER & CEO

Ship to Shore

Our collection of totes and wristlets (see page 67) includes two exclusive-to-us designs created in partnership with Sea Bags of Portland, ME. Handcrafted from recycled sails from boats that sailed in New England waters.

Yippee! Summer is here!

We're so pleased to share our blue-infused palette perked up with some happy shades of sky, orange and lots and lots of whites and naturals. Of particular note is the debut of Happy Fish, a delightful watercolor that captures the beauty of our friends beneath the sea. We loved it so much we are offering it in bedding, sleepwear and a great, beach-ready tote bag made for us by Sea Bags. We're also excited about our new wallpaper in peppy patterns, including Happy Fish in two colorways.

Here's to some much-deserved fun in the sun,

Happy Shopping!
